

Cush Wind Farm

June 2022

Cush Wind farm sponsors Lusmagh & Drumcullen Camogie Clubs Relay 'Around the Parishes' fundraiser.

Community involvement is at the core of all our projects. After consultation with local residents, committees and groups in Cush, Co. Offaly, we were approached to sponsor Lusmagh & Drumcullen Camogie Clubs 'Relay Around the Parishes' fundraiser to raise funds for the Camogie Club.

Further feedback from the residents of Cush resulted in sponsoring the senior ladies Camogie team Jerseys.

With Project Manager James Carville stating "It's an honour to be able to get involved with the local GAA club. GAA provides an amazing outlet for young people all over Ireland & the senior team here local to Cush is a fantastic example of building long term relationships within the communities we work in is our top priority"
